## SKILLS

- **Languages:** C++, C#
- **Frameworks:** HTML and CSS, Bootstrap, JavaScript UI/UX
- **Tools/Platforms:** Git, Github, Figma
- **Soft Skills:** Problem-Solving, Team Player, Leadership, Adaptability

## WORK EXPERIENCE

### ONX STUDIO - Digital Content Production System

Since August 2025

- Designed and Developed responsive web pages using modern frontend technologies, ensuring seamless performance across all devices.
- Improved website accessibility, SEO structure, and code quality by implementing best development practices.
- **Tech:** HTML, CSS, JavaScript

## PROJECTS

### “Not Just a Dream” – Short Film:

Since September 2025

- Applied technical problem-solving for lighting, frame-rate corrections, and media optimization.
- Managed full post-production suite: color grading, sound layer structuring, exporting formats.
- Coordinated seamless workflow between shooting and editing stages, ensuring consistent visual style and timely project delivery.

### Car Parking Application – UI/UX Design Project:

June 2025 – August 2025

- Created a clean, intuitive UI system with wireframes, user flows, and high-fidelity screens.
- Designed interactive prototypes for smooth user experience demonstration.
- Improved task flow efficiency with a 3-step booking system.

**Tech:** HTML, CSS, JavaScript, UI/UX

### Nike-Style Web Experience – UI/UX Development:

July 2023 – September 2025

- Analyzed and revamped the overall website structure to closely mirror Nike's clean and modern design standards.
- Designed interactive prototypes to effectively demonstrate user interactions and enhance the overall UX.
- Positioned the platform for improved efficiency by developing a streamlined 3-step booking system, significantly reducing user effort and increasing task completion speed.

**Tech:** HTML, CSS, JavaScript, UI/UX

## CERTIFICATES

- Complete Interview Preparation - Self-Paced (C++) | Geeks for geeks
- Development in Flutter | Programming Pathsala
- The Complete Java Certification Course | Udemy

August 2025

June 2025

April 2025

## ACHIEVEMENTS

- Solved 100+ Coding Problems on LeetCode to sharpen problem-solving skills.

Since June 2025

## EDUCATION

### Lovely Professional University

Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.50**

Phagwara, Punjab

Since August 2023

### Unique Public School

Intermediate; **Percentage: 72%**

Noida, Uttar Pradesh

April 2022 - March 2023

### Sarvodaya Public School

Intermediate; **Percentage: 64%**

Noida, Uttar Pradesh

April 2020 - March 2021
